CLAIM FOR REFUND

On November 29, 2006 at 1:17pm I faxed your office an RCE for the above application with the PTO-2038 form for credit card payment. However, I did not receive an Auto-Reply Facsimile Transmission or confirmation copy. I waited all evening but still did not receive a copy.

On November 30, 2006 at 8:24am I tried to fax your office the RCE for the above application and encountered a problem with my fax so at 8:27am I faxed your office again the RCE for the above application and to this day I have not received a reply copy.

Due to the above events, your office has charged my account twice for the RCE fee.

Please refund me \$395.00.

Make check out to: Glenn G. Strawder.
